Remarks

Your island paradise awaits- set on Palm Island in the heart of Siesta Key, you won't believe this exquisitely renovated waterfront luxury home! Mere blocks to the crystalline sands of Siesta Key beach and the lively Siesta Village, this quiet island home could just be the retreat you've been searching for. The original structure went through a near total renovation in 2021/2022 and has been reconfigured into a true modern beach house. With four bedrooms and three and a half bathrooms, this home has all the right spaces and has luxury features such as engineered hardwood floors, soaring ceilings with modern custom staircase, recessed can lighting, and built-in storage areas. The kitchen boasts true luxury with beautiful stone counters and custom cabinets, wine storage, custom backsplash and upgraded stainless appliances. The primary suite is a show stopper with pool access, oversized closet with built-ins, and a spa-like bathroom that will pamper you. The rest of the home features well-appointed cozy living areas adorned with upgrades. The generously sized homesite gives the home a great sense of curb appeal and a roomy backyard. The heated pool area gives way to the dock which is on a saltwater canal with boat access. You won't want to miss this fine home.
